Oracle R12 Upgrade Planning Workshop

ABOUT EMTEC®

Emtec is the right size provider of technology-empowered business solutions for world-class organizations. Our local offices, highly-skilled associates, and global delivery capabilities ensure the accessibility and scale to align your technology solutions with your business needs. Our collective focus is to continue to build clients for life: long-term enterprise relationships that deliver rapid, meaningful, and lasting business value.

PACKAGED APPLICATION SERVICES

Emtec is a leading implementer of Packaged Applications. We help reduce costs by streamlining processes and providing application package expertise around the entire lifecycle of your application. Our specialty practices include:

- Oracle (EBS, Fusion Applications, PeopleSoft, Planning, HFM & OBIEE)
- Microsoft (BI, CRM, GP & SharePoint)
- Salesforce
- SAP

Emtec, an Oracle Platinum Partner, has extensive expertise in delivering best-in-class Enterprise Resource Planning solutions. Our proprietary Methodology has been utilized to complete hundreds of Oracle Application projects successfully over the last 15 years. Oracle's future solutions will continue to enable organizations to further increase the ROI by taking advantage of more robust technology and more efficient processes with analytic reporting capabilities. We make it our business to get ahead of this curve and can provide valuable advisory assistance to our clients to save them time and money down the road.

Emtec is pleased to present an application roadmap and upgrade planning workshop for Oracle E-Business Suite Applications. This workshop leverages our Finance, Supply Chain, Enterprise Services Automation, Human Capital Management and Enterprise Technology expertise.

ORACLE E-BUSINESS SUITE CUSTOMERS ARE FACING THE SAME TOUGH QUESTIONS:

Do we upgrade to R12?

What are the business benefits of upgrading?

What are the support implications if I don't upgrade?

What is Gartner's recommendation to Oracle Customers?

With Oracle's Application Unlimited program, ongoing E-Business Suite releases and the advent of Oracle Fusion Applications, many organizations are unclear of what the future holds for their existing investments. At the completion of this interactive workshop, we will provide you with:

- Options with estimated costs and benefits of various upgrade/no upgrade strategies
- An Oracle Application Roadmap customized to your application portfolio

- Application Management options covering benefits and related costs
- Infrastructure review

YOUR ONSITE WORKSHOP INCLUDES

- Hands-on, collaborative workshops with your team
- Emtec Presentation covering: The top five reasons why organizations are upgrading their Oracle E-Business Suite Applications (and why they aren't), Oracle's updated applications roadmap, Upgrade planning and best practices and Application management strategies.

DID YOU KNOW

- There are no forced upgrades to Oracle Fusion--you can continue to upgrade your E-Business Suite Applications
- Premier Support for 11.5.10 expired in November 2010 with extended support expiring in November of 2013.
- Customers who adopt release 12.1, will be eligible to receive Premier/Extended Support through 2018

WHO SHOULD ATTEND

This workshop is geared toward senior level finance, HR and IT executives who are currently running E-Business Suite Applications prior to R12.
